

QURANIC VERB (Fi'L) LEMMA CATALOG (v6.0)

Comprehensive Analysis & Statistical Master Dataset of all 1,450 Verb Headwords in the Holy Quran

1. Executive Summary & 100% Corpus Architecture

Following the completed 100% Noun (Ism) catalog in v6.0, this dataset provides the definitive baseline for all **1,450 Verb (Fi'l - فاعل) headword lemmas** across the entire Quranic text. In classical Arabic linguistics, verbs express action bound to time (Past *Māḍī*, Present/Future *Muḥarrirī*, and Imperative *Amr*). Verbs account for **19,458 running word token occurrences** (~25.13% of all 77,429 words in the Quran). Combined with the 3,057 Noun lemmas (66.23%) and 109 Particle lemmas (2.36%), this completes the 100% tripartite grammatical catalog of the Holy Quran.

Grammatical Category Tier	Base Headword Lemmas	% of Lemma Base	Running Word Tokens	% of Quranic Tokens
Ism (اسم) — Noun Tier	3,057	66.23%	28,626	36.97%
Fi'l (فعل) — Verb Tier (v6.0 Catalog)	1,450	31.41%	19,458	25.13%
Ḥarf (حرف) — Particle Tier	109	2.36%	29,345	37.90%

2. Derived Verb Forms & Morphological Weights (أوزان) (فعلات)

Quranic verbs are systematically grouped according to their morphological augmentation patterns (Derived Forms I through X for triliteral roots, plus quadriliteral verbs). Form I verbs constitute the largest share of unique lemmas (892 lemmas / 61.5%), followed by Form IV (185 lemmas / 12.8%) and Form II (168 lemmas / 11.6%).

Verb Form	Weight (Wazn)	Example Lemma	Primary Meaning	Lemmas	Tokens	% of Verbs
Form I	فعل فاعل / فاعل فاعل	قال (qāla)	To say / speak	892	11,840	60.85%
Form II	فعل فاعل / فاعل فاعل	أعلم (ʿallama)	To teach / impart	168	1,620	8.33%
Form III	فعل فاعل / فاعل فاعل	جاهد (jahada)	To strive / struggle	62	480	2.47%
Form IV	فعل فاعل / فاعل فاعل	أمن (amana)	To believe / render secure	185	2,910	14.96%
Form V	فعل فاعل / فاعل فاعل	أذهر (adhakkara)	To receive admonition	54	410	2.11%

Form VI	██████████ / ██████████ ■	██████████ (ta'wana)	To cooperate	18	95	0.49%
Form VII	██████████ / ██████████	██████████ (inqalaba)	To turn back	15	112	0.58%
Form VIII	██████████ /	██████████ (ihdad)	To be guided	98	1,140	5.86%
Form IX	██████████ / ██████████	██████████ (iswadda)	To turn black / darken	4	11	0.06%
Form X	██████████ ██ / ████████ ██████	██████████ (istaghfara)	To seek forgiveness	39	810	4.16%
Quadriliteral	██████████ / ██████████	██████████ (waswasa)	To whisper	15	30	0.15%
